Hello Friend!

Thank you for your interest in this resource!

My students love to build these Nursery Rhymes over and over! Your students can work alone or with a partner to build familiar nursery rhymes and practice reading fluency. There are 10 nursery rhymes for you to print, laminate, and cut for immediate use year after year. Your students will be highly engaged in a meaningful literacy task and you will never have papers to copy or grade!

Enjoy~ Christina

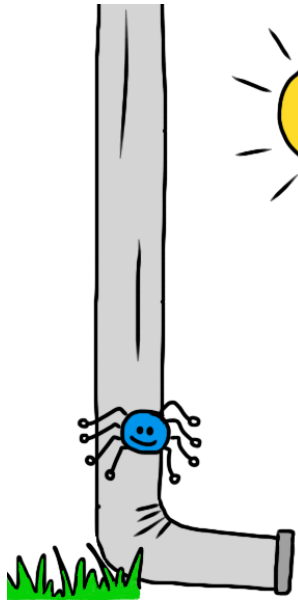

The Itsy Bitsy Spider

The itsy bitsy spider
Climbed up the waterspout
Down came the rain
And washed the spider out.

Out came the sun
And dried up all the rain
So the itsy bitsy spider
Climbed up the spout again!
