## Building a Sandcastle

John loved to build castles at the beach!  
First, he got a shovel and two sand buckets.  
Next, he filled a bucket with sand. Then,  
John flipped the bucket to make his first  
castle! After that, he continued to fill and  
flip sand buckets to make more castles.  
Finally, John added a flag! John was proud  
his sand castle town!

## Growing a Watermelon

It is fun to watch a watermelon grow! First, it starts out as a seed that gets planted into the ground. Then, the seed sprouts out of the ground. Next, a long vine with flowers will grow. After that, a watermelon will grow from the flower on the vine. Last, people can pick the watermelon from the vine and take it home to eat!

Watermelons make a delicious summer treat!

⑤  
last or  
finally

1. What happens after a watermelon seed is planted in the ground?

The seed sprouts out of the ground.

2. What happens before people pick watermelons?

The watermelon will grow from the flower.

3. What do people do with watermelons once they are ripe?

They pick it from the vine to take home and eat.
