EXAMPLES OF WORDS WITH THE PHONICS SKILL

Word Study Unit: Digraph ng

...families,

...week your student is studying words with the phonics skill ng. A digraph is a combination of 2 letters that represent one sound. In our word study unit, we are focusing on students learning an explicit phonics skill rather than memorizing a list of words.

...the words that feature this phonics skill are:

hang	king	lung
strong	string	tong
long	swing	song

DIFFERENT SPELLING PATTERNS

Some of these words may be on your student's assessment at the end of the week but there will also be other words that contain this phonics skill.

Spelling patterns for this skill:

- Digraph ng only occurs at the end of the word and follows a vowel sound.
- The letter n alone can also represent the ng digraph when followed by the letter k: bank, ink, sunk

How to practice at home:

Use a word mapping routine:

- Choose a word and say it aloud: ex. song
- Talk about the meaning & use the word in a sentence: Bob and Jill sang a song together.
- Tap the phonemes (sounds) of the word together: /s/-/ŏ/-/ng/
- Write the graphemes (letters) as you sound out the word again: s-o-ng

Use multisensory tools:

- Form words out of playdoh
- Trace words in sand or rice
- Create words with alphabet magnets or blocks

Always have your student say the phonemes *first*, then create the graphemes

WAYS TO PRACTICE AT HOME
